

Learn Polish

in Kirkland

Polish for Beginners I

March 3-April 21

T Th 6:30PM-8:00PM

This course is for students with little or no previous knowledge of the Polish language. Students will learn the Polish sound system, basic grammar structures, and build up their vocabulary based on everyday life situations. Students will develop their communicative competence and acquire cultural knowledge.

Polish for Beginners II

April 28– May 28

T Th 6:30– 8:00PM

This course is a continuation of Polish for Beginners I. Students will further develop speaking, listening, reading and writing skills. They will continue building up a solid grammar foundation and developing their vocabulary to use in various sociocultural contexts. Students will learn different aspects of Polish culture through various authentic materials.
