

In Loving Memory of

**SEBASTIAN
WITOLD
NIZIOL**

born in
Anchorage, Alaska
April 26th, 1981

passed away in
Seattle, Washington
August 5th, 2018

Sebastian was a loving father, fiancé, uncle, brother, and son. He was raised in the loving aura of his parents Barbara and Stan, and his brother Dominik in Alaska, where he earned his degree in business management. In 2010, he moved to Seattle to start a new chapter in his life and, in 2015, he found true love and happiness when he met Patrycja Nowak. Sebastian loved her with all his heart and they welcomed into our lives their son Stanley on Christmas Day last year. It is with great sadness that we have to say goodbye to such a kind and loving member of our family so early. We are at peace knowing that God has called him back to His loving arms. Surrounded by his family, Sebastian died peacefully following complications from open heart surgery.
